Join Over 100 Other Volunteers

Teens can take advantage of an excellent opportunity to volunteer in a hospital setting, while lending a helping hand, exploring different health care careers, meeting other students and gaining valuable lifetime experiences.

Teens can rotate through various patient and non-patient care areas throughout the Medical Center, serving patients, families and staff in a meaningful way.

Become a VOLUNTEEN!
The Summer Volunteer Program is for middle and high school students, ages 14-18 (students must be 14 by June 1, 2009 in order to participate).

The Program runs mid June — mid August.

All Volunteers must commit to volunteering two full days a week from 8:45 a.m.-4:00 p.m. for the duration of the 9 week program. Vacation days are permitted.

Volunteers must complete a minimum of 120 hours in order to successfully complete the Program.

**Registering to Become a Volunteer**

Registration packets will be available online at http://www.wfubmc.edu/volunteer/teen.html beginning January 5 through March 13, 2008. Registration packets must be returned to the Volunteer Office no later than 5 p.m. on March 13, 2008. Some of the information we require takes time to complete, so it is important to download and complete these forms as early as possible. Applications that are turned in past the deadline will not be accepted.

**Registration Requirements**

- Complete application and essay.
- Place 2 teacher recommendations in sealed and signed envelopes.
- Volunteer Contract must be signed by the student and his/her parent.
- Complete immunization history, including documentation of a current TB skin test.

Application must include all of the above in order to be considered for the Volunteer Program.

**Uniform**

All accepted Volunteers must purchase a Volunteer Scrub Shirt from the Volunteer Office to be worn with khaki or white pants/skirt.

**Possible Assignments**

Volunteers will be given schedules each day by the Manager, Student Development and Brenner Volunteers. Areas and tasks that Volunteers may be assigned to include, but are not limited to the following:

- Playing with and visiting the patients of Brenner Children’s Hospital.
- Pricing, stocking, and waiting on customers in the Gift Shop.
- Running errands and assisting staff and families in the Emergency Department.
- Giving directional information and answering phones at the Information Desks.
- Collecting and delivering lab specimens as the Lab Courier.
- Assisting with clerical tasks in various departments around the Medical Center.
- Delivering flowers and mail to patients.
- Observing treatment in various Physical Therapy areas.
- Helping patients and staff with the Admissions process.
- Assisting staff and observing in the Operating Room.
- Helping patients and staff in the Cancer Center.

Thank you for your interest in the Volunteer Program!
